## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on June 29, 2010 has been entered.

### ***Information Disclosure Statement***

2. The information disclosure statements (dated April 29, 2010 and June 1, 2010) were in compliance with the provisions of 37 CFR 1.97 and 37 CFR 1.98. The statements were considered. Signed copies of form 1449 are enclosed herewith.

### ***Response to Amendment***

3. The amendments to the claims filed on June 2, 2010 have been fully considered. The 35 USC 102 rejection is maintained. The priority document of JP 2002-296468 dated October 9, 2002 does not provide sufficient support for the instant genus. In this priority document, heteroaromatic rings are not listed as embodiments under aryl. Therefore, the reference antedates the instant claims.
